Monday Walking Group Terms and Conditions

- Please note that minibus bookings cannot be made more than one week in advance.
- All bookings are on a first come, first served basis.
- When on public transport, please let the walk leader know, if you would like to book on the mini bus for the following week.
- To book on through the office for the following Monday, calls must be made from Tuesday of that week.
- When the minibus is full we will endeavour to have a volunteer driver that will use their own personal car under our umbrella as a volunteer driver.
- If you don't book, you are not guaranteed a place.
- Please cancel at the earliest time if you cannot attend.

Our Mini bus trips have now changed to Tuesdays so the minibus is now available most Mondays for the walking group.

We appreciate that this group is very popular and that members can't always guarantee attendance each week, so we think this is the fairest way to enable people to book on.
